

**SOCIETY OF WOMEN ENGINEERS  
CENTRAL OHIO SECTION  
Membership Meeting  
January 26, 2006**

**Jessica Flasche, President, started the membership meeting at Cozymel's, 6:30 p.m., 1-26-06.**

We passed around a sign-in sheet and gave brief introductions of ourselves, our jobs, family, hobbies, etc. Kristina handed out levels, donated by Honda, to all attendees. We collected \$5 per person to cover the cost of appetizers. There were 20 of us in attendance.

Jessica gave a brief review of the following topics:

- ❑ Future Cities update
- ❑ February 20-25 Engineers Week activities, including
  - Theme: Connecting Educators to Engineering
  - Feb 25 at OSU: Connect a Girl to Engineering Day.
- ❑ Region G Conference at University of Cincinnati, March 3-5
- ❑ Pampered Chef Party March 12 at Peggy's
- ❑ Next Membership Meeting March 22
- ❑ Tour of Victoria's Secret on February 22 – passed out fliers

Sara Shunkwiler spoke on the topic of Career Changes. Sara began her career as a ceramic engineer with Delphi. Now she teaches Algebra II, Science, Reading and Social Studies at a middle school. It took her 1 ½ years at the Ohio State University to get certified as a teacher when she chose to change careers. Sara answered many questions from the members present at the meeting.

Anna passed out new member packets to our new attendees.

Meghan mentioned our \$15 T shirt fund raiser.

20 attendees included: Megan Roe, Lynne Waldron, Peggy Flaherty, Nicole Reed, Darcy Dom, Lynsay Bensman, Lee Ann Schwope, Sara Shunkwiler, Julie Abbott, Jessica Flasche, Kari Smith, Ann Turk, Jamie Spaccarotelli, Inaas Darrat, Raga Kalapati, Anna Shumpert, Di He, Heide Echelberger, Mike Devenney (visiting IIE member) and Elizabeth Widman.
