AND

THE SOCIETY OF WOMEN ENGINEERS

THE FUTURE IS NOW!  
 JUNE 28-30, 2001 • DENVER • COLORADO

**HOW TO ENTER THE IMAGINATION FAIR™**

Each registered Explore Engineering student will be given FREE entry to the IMAGINATION FAIR™ upon presentation of an Invention Disclosure Poster that meets the following requirements:

1. Each poster will be drawn on 11" x 17" white poster board with the long dimension being horizontal (landscape).
2. Drawings on the Poster will be designed to show what the invention is, or how it works. Also include any necessary explanations.
3. All inventions will be classified in one of the 20 industry classifications (shown above).
4. Student inventors may submit more than one idea. Contest officials reserve the right to display entries.
5. All Invention Disclosures will be witnessed and dated by attending officials to make this a legal document which, under Patent Law, is considered "PUBLIC DISCLOSURE". IF patent protection is to be pursued, it must be done within twelve months of the witnessing date.
6. Parents will be required to sign a statement that they understand and accept responsibility for Disclosure being processed.
7. Prizes and awards to First, Second, and Third places and Honorable Mention presented on Wednesday, June 27, 2001 during the Explore Engineering Event.
8. IMAGINATION FAIR™ poster-entries become the property of SWE, with permission to display as SWE desires.

**BRING YOUR ENTRY WITH YOU TO THE EXPLORE ENGINEERING EVENT**  
**BY 1 PM ON WEDNESDAY, JUNE 27<sup>th</sup>, 2001**
