HOW TO ENTER THE IMAGINATION FAIR™

Each registered Explore Engineering student will be given FREE entry to the IMAGINATION FAIR™ Invention Competition upon presentation of an Invention Poster* (submitted on Thursday, October 10, 2002 by 10:00am) that meets the following requirements:

1. Each poster will be drawn on 11” x 17” white poster board with the long dimension being vertical (portrait).
2. Drawings on the Poster should show what the invention is and how it works. Also include any necessary explanations of its purpose and how it works.
3. All inventions will be classified into one of the 20 industry classifications (shown above).
4. All Invention Disclosures will be witnessed and dated by attending officials to make the poster a legal document, which under Patent Law, is considered “PUBLIC DISCLOSURE”. If patent protection is to be pursued, it must be done within twelve months of the witnessing date.
5. Parents will be required to sign a statement that they understand and accept responsibility for the invention disclosure being processed.
6. Certificates for First, Second, and Third places awards will be presented on Thursday, October 10, 2002 during the Explore Engineering Event.
7. IMAGINATION FAIR™ poster-entries become the property of SWE, with permission to display as SWE desires.

* Contest officials reserve the right to display entries.
