Did you ever have trouble deciding on your career or college major?

- Giving job search suggestions and advice;
- Helping them obtain an internship or cooperative education experience; and/or
- Enriching the career services at PBCC by providing information about your employer and supporting your firm's recruiting of PBCC graduates.

PBCC students and graduates struggle with these same decisions! Your expertise and experience can help them with career planning and job hunting.

How does it work?

Students would review your consultant's form on our on-line career website. A student interested in your career field would contact you directly by telephone or e-mail to set up an appointment at your convenience. In most cases, consultants are contacted about three times a year.

What does a Career Consultant do?

You determine your level of involvement! You tell us if you would like to help students by

- Providing information about your job and career field;

What career fields do Career Consultants represent?

We are looking for Career Consultants in your career field! Students have a variety of interests and are seeking Career Consultants from diverse career fields and industries.

Just a sample of the Career Consultants needed to help students!
