Dear Sir or Madam:

The Southeast Florida Section of the Society of Women Engineers has started a scholarship program to honor high school females who have shown commendable ability in areas such as leadership, academics, and community activities. Please find application for enclosed in this packet:

College Scholarship

- SWE Southeast Florida will annually award \$500 and SWE Collegiate Membership to one outstanding high school senior female student who intends to pursue a college degree in engineering.
- The enclosed scholarship application must be filled out by the student (and signed by a counselor) and postmarked by **March 31, 2009**.

SWE, at a national level, also has scholarships for outstanding high school female students. This application form can be found on the National SWE website: www.swe.org.

Please help us in recognizing outstanding young women by distributing scholarship forms and filling out the award nominations.

Please take the time to learn about our SWE Southeast Section and our outreach activities by visiting our website at: <http://www.swe.org/swe/regiond/sections/sefl/index.html>

Sincerely,

Sari Tukiainen
