Hello all members of SWE Regions B and J. This is the first of an ongoing series of E-Blasts that you'll be receiving about the upcoming SWE 2007 Joint Regions B and J Conference and Career Fair being held in Las Vegas January 21 -19, 2007. Mark your calendars and start making plans now.

The [conference Web site](#) went live on August 1, 2006. Be sure to check it frequently. We will continue to add information as soon as it is available.

The sponsorship and career fair participation package is available now. Last year in Region B, a checkout system was used, because companies don't like being approached by more than one individual for the same thing unless it's a group effort. We need to be especially sensitive to multiple contacting this year because of companies with facilities in both regions. If you want to check out a package, please contact [Region B Conference Co-Chair Fran Stuart](#). If someone from your company has already checked out a package, you will be given their contact information.

Although two very experienced SWE members are Co-Chairing the conference, we will be asking for your assistance in specific areas. The first request is for someone to be the Corporate Liaison(s). The position will control checking out and tracking corporate packages, maintaining a database of contacts, and working closely with the companies who want to provide sponsorships and participate in our Career Fair. Anyone interested should contact [Fran Stuart](#) for more details.

Please review the [Call for Speakers](#). Region Conferences are a much richer experience when we learn from each other. Please consider presenting or recommending someone to present at our conference.

We're looking forward to seeing you in Fabulous Las Vegas!

[Fran Stuart, Co-Chair Region B](#)

Alison Ratliff, Co-Chair Region J
