

**St. Bernard Community Playground Project**  
**RE-boot RE-pair RE-build**  
**April 8-13, 2008**

We're repairing and rebuilding the community playground in Torres Park...bigger and better than before! And, we need your help so that our children can play in it once again this summer.

How can you join this effort? Volunteer your time during our April 8-13 Build Week. Solicit donations from your business acquaintances. Purchase a t-shirt or a personalized picket for the fence. Talk to your friends and neighbors. Provide food. Put on your work boots!

Please use this form to **sign up to volunteer** and/or to place an order. Print all info. Mail the completed form with your check made payable to:
