## Region D Conference Update

Here are some things to look forward to at the regional conference:

The “Divas” need a theme song! Come up with a theme song for Region D using a familiar tune and engineering/SWE-related lyrics. We will vote on the songs during the conference.

Region D won \$1500 in the SME Bowl at the National Conference, and we want you to decide how to spend it! Send your suggestions to Priscila at [rcr-d@swe.org](mailto:rcr-d@swe.org).

Online voting will start soon for next year’s Region Collegiate Representative and Region Collegiate Newsletter Editor. Voting will also take place at the conference for sections that miss the deadline.

Region Awards will also be given in these categories: attendance and distance traveled, membership retention and recruitment, scrapbook and spirit, best section advisor and counselor. Deadline is February 28<sup>th</sup>! See this website for details: <http://www.swe.org/regiond/Links/awards.html>.

## 2007 National Conference

The next national conference will be held in Region D in Nashville, TN October 25-27<sup>th</sup>. Support your region by attending and volunteering!
