WEBSITE

www.swe.org/SWE/RegionG/ProfSects/CentralOhio/home.html

The site is still undergoing final construction, but most of the pages are up and running, and site will be completely updated and done by November 1st.

We will update the site monthly.

The site is very useful – includes Central Ohio SWE events, along with other events of interest in the Greater Columbus Area, and Regional and National SWE events and news.

If you see anything that needs corrected or want anything added to site please contact webmasters Rachel Lewis or Linda Arnold.

We have spent a lot of time designing the pages and putting them together and we want them to be useful to you – any input is appreciated.
