

Society of Women Engineers

Texas Space Center

Newsletter November 5, 2004

1. SWE Luncheon Nov 11

The November Society of Women Engineers Luncheon is coming up, Thursday, Nov. 11, 11:30 a.m., at the Hilton on NASA Rd. 1.

There are two buffet options (prices include tax and tip): Soup, salad, & dessert \$8; Full buffet \$12. For more info or to RSVP, contact Kim Curry, (281) 226-6256, or Karen Thacker, (281) 226-6274. RSVP not required.

2. Second Annual Holiday Party

Also, the Texas Space Center section of the Society of Women Engineers will host its second annual Holiday Party on Friday, Dec. 3. This party gives high school girls and college women a chance to talk with women engineers in a relaxed, fun atmosphere. Helping with the party is a great way to get to know some wonderful people and network with other professionals! If you are interested in participating or attending, please contact Karen Thacker.

3. Are you interested in becoming more involved with the wider SWE community?

There may be an opportunity to represent the section by serving as a voting delegate on the region nominating committee. Members of the region nominating committee should be familiar with members in the region and the responsibilities of the positions but **may not** become candidates for any region officer positions while serving on the region nominating committee. Please remember that **all** discussions within the region nominating committee about candidates **must** be kept confidential.

If you are interested and would like further information, please contact Cami Dutton at (281) 226-8594.
